Motion For Extension of time

Come now DeMarcus Williams, by and through the undersigned Counsel to respectfully request an extension to April 25th Because I have done my answer to my Special report. But the mail room Clerk refused to mail it out because they say, we can only mail 2 legal mail letters out a week. And if the letters weight more than what they pay a week for legal mail they will not mail them out for the week. And in the administrative regulation #448 it does not mention anything in there about the weight nor the cost of legal mail per week I am unable to afford to pay for my own legal mail to get mail out, and this is why my answer to my Special report is behind the time frame that was given to me April 16, 2019. Will you please allow me 2 more weeks from this date April the 11th 2019 to April the 25th, I would very much appreciate that thank you for your time.
